REPRESENTATION FROM REAR VIEW OF CONNECTOR

Switronix is not responsible for any improper wiring should a user choose to produce their own mating cables. TRIPLE CHECK polarity prior to connecting the FLYACK to any devices when using your own cables. If you have ANY DOUBT, we offer all the cables through our distribution channel, as well as custom cables should you need.

Any questions, call 800-613-7948 or email support@switronix.com
