

# Master Series 8" Prompter (MSP08)

## Key Features

- The smallest daylight readable and portable prompter in the world - can be used in direct sunlight
- Monitor has scan reverse, locking BNC and XLR power, and extended 2-year warranty
- Lightweight and collapsible wide-angle hood for all lens types at no extra cost
- Fully adjustable hood and mounting system - shoot directly through the centre of the glass without raising the camera up and away from the fluid head or shoulder mount, creating a pendulum effect and reducing control
- Gold Plate slides back and forth to accommodate any DV or ENG camera and lens
- Matte Box bars or Chrosziel adaptors can be used to mount the prompter directly to an ENG camera

## Included in the package

- **Standard Package (MSP08SWAGP):** MSP08 Monitor, Small Wide Angle hood, bracket and glass, Gold Plate, 25m composite cable (software and hand controls not included)
- **Full Assembly Weight:** 3.2kgs
- **Glass:** 70:30 transmission with internal anti-reflective coating
- **Alternative Mounting Options:** Additional camera carriage, Chrosziel adaptors, matt box bars
- **Optional Extras:** Mini Cuelight Kit, Chrosziel adaptors, Matte box bars, Additional Camera Carriage, SDI input
- **Software Options:** QPro, QMaster or any other prompting software
