

Master Series 12" Prompter (MSP12)

Key Features

- Ultra bright mid-size prompter for studio and outdoor use
- Monitor has scan reverse, internal PSU, locking and looping BNC, XLR power, integrated tally light, and extended 2-year warranty
- Lightweight and collapsible wide-angle hood for all lens types at no extra cost
- Fully adjustable hood and mounting system - shoot directly through the centre of the glass without raising the camera up and away from the fluid head, creating a pendulum effect and reducing control
- Gold Plate slides back and forth to accommodate any DV or ENG camera and lens
- Prompter is counter balanced by sliding the camera plate back and using the weight of the camera and/ or adding slide-on weights to the back of the Gold Plate

Included in the package

- **Standard Package (MSP12MWAGP):** MSP12 Monitor, Medium Wide Angle hood, bracket and glass, Gold Plate, 25m composite cable (software and hand controls not included)
- **Full Assembly Weight:** 6.8 kgs (bottom mount) 5.8 kgs (top mount)
- **Glass:** 70:30 transmission with internal anti-reflective coating
- **Alternative Mounting Options:** Long (12") or short (7.5") rods for pedestals, additional camera carriage
- **Optional Extras:** Cuelight Kit, Talent Feedback Monitor 9" (TFM09), Counter-balance weights, Additional Camera Carriage, Steady Bar Kit, SDI input
