Description

This specific camSuit perfectly fits and protects the Sony PXW-Z450 camera. It's a tailor-made Cordura® fabric, form-fitted camera cover, with foam padding on the inside for maximum protection.

Transparent vinyl windows allow a clear view on, and complete access to the controls. The cover also has a built-in rain cover to protect your equipment in bad weather conditions.

This package includes two separate viewfinder covers. One for the CBK-VF01/VF02, and one for the DXF-20W, the HDVF-200/20A and the HDVF-C35W. In addition, pouch is added on the outside for the wireless CBK WA101 unit. For maximum flexibility a detachable pouch is supplied for additional wireless units. It easily attaches to the back of the camSuit with hook and loop fasteners.

This item will be delivered to you in a waterproof pouch with zipper, which you can use for storage and transportation when not in active use.
