AIR

60mm Balance travel
Quick release sliding camera plate

2 Selectable
counterbalance positions

Integrated 75mm bowl with a bubble level
A die cast alloy bowl offers quick levelling, optimum torsional rigidity & long term durability

Neoprene leg protection
Excellent grip while carrying or setting up the tripod in extreme weather climates

Quick action
self adjusting Rapid Lock

Weatherproof carry case
The padded softcase satisfies all transport needs

Fluid drag system
constant in all temperature ranges

Removable stud
Allowing head to be mounted on a slider via a 3/8" thread

Three leg angle locks
Eliminate the need for a spreader, the 3-position leg angle locks take Solo down to a ground-hugging level

Spike with wind down rubber feet
For all surfaces the Solo 75 tripod can be adapted to suit all terrains by winding up the rubber feet to reveal spikes

Accessory Mounting Block - CAT#2092
Allows user to side mount accessories up to 1.5 kg/3.3 lbs to Air fluid heads
