

C2 MatteBox – Double Filter Stage 4 x 5.65"/4x4" and 3 housings to combine.

Choose the MatteBox housing depending on your application.

The double filter stage CF-MB/ST is the basis for the MatteBox combinations MB C2.

For fine adjustment the stage can be moved ± 3 mm horizontally.
Various light protection rings for 100 mm thread are available.

Any configuration mounts on the Double Filter Stage **CF-MB/ST**, which includes a multi format filter holder (410-31) for 4x4" and 4x5.65" filters in the first stage and, in the second, a rotating filter-holder (402-04) for 4x4". Both filters slide vertically and can be fixed in any position, the second also rotates 240°.

The Rubber Bellows adapts to the 100 mm \varnothing (resp. 110 mm, CF-MB/ST110). The Step down Rings with 100/110 mm thread guarantee perfect fit to the lens. Without Rubber Bellows, use \varnothing 142.5 mm and the respective light protection rings.

The **CWAH-1FC** housing is designed for lenses up to 5.2 mm focal length and max. 4.5 mm, provided only the first filter is used with Insert-Ring 410-55, 100:95 mm. The set comes with the French Flag and the Insert Matte for 16:9. Side-Wings and Bottom French Flag are optional.

Use the **CBH-S16** housing with **bellows and moving matte** for the Super 16 / 16:9 formats. French Flag and a set of Side Wings are included. The maximum wide angle focal length is 5.2mm (referring to 2/3"HD).

The housing **CWAH-FV** has 16:9 / S16 format. It covers wide angle up to 5.2 mm focal length (S16=7, S35=12, SD=4.8) and is the most economic combination. The French Flag is included. Optional side wings and bottom French Flag can be added.

Technical data CF-MB combinations:

Max. wide angle focus length (2/3" Chip) F=mm	5.2 / 4.5 (s. o.) 1/2" HD = 4
Multi Format 4:3 and 16:9 Mattes 4:3 for F=mm	S16, S35, SD, HD -
Mattes 16:9 for F=mm	s. o.
Max. filter number / rotating / gear positioned	2 / 1 / -
Filter stage width (mm)	1. 150 / 2. 110
Filter size (inch)	4x4/4x5.65h + 4x4
Connecting diameter (mm)	100 / 110 + 142,5
Light weight support for rod \varnothing mm	15 *

* With adaptors also bridge plates 15 und 19 mm
