

## ORCA UNDER COVER CAMERA BAG MODEL: OR-9

The OR-9 was design to carry the new Sony FS-7 with viewfinder and handle & similar size cameras.

The bag is a carry on size, and is equipped with a retractable backpack system that can be stored inside a special pocket.

The bag has a special aerodynamic shape, with heavy duty materials. The bags come with the Orca special aluminum handle system & padded shoulder strap.

The interior lining of the bag is soft bright blue brush polyester material to

help the user to find small things in dark locations. The interior comes with a set of configurable dividers, one removable pouch for accessories and a bungee cord to help securing the camera in place.
